INDEX TO VOLUME 49

1967

SUBJECTS

Agricultural Policy

General

A Proposal to Limit the Flow of Human Resources into Farming, 1321

Canadian Approaches to Rural Poverty, 1209

Food and Fiber Policy for a Changing Agriculture, 1057

Production Economics and Policy Planning: An Agribusiness Interest, 1480

"Realized" Farm Income: An Outmoded Concept? 795

Rural Poverty in the U.S., 1227

Supply Control with Marketable Quotas: Cost of Uncertainty, 584

Urbanization of Rural America: Implications for Agricultural Economics, 999

International

Allocation of U.S. Food Aid: Comment and Reply, 501

Estimating the Effects of EEC Grain Policy, 372

Implications for Canada of U.S. Farm Policies, 1038

Kennedy Round Agricultural Negotiations and the World Grains Agreement, 1332

The Need to Replenish World Grain Stocks, 750

National

Agricultural and Industrial Interrelationships in West Pakistan, 1139

Agriculture in the Industrialization of Communist China and the Soviet Union, 1118

Canadian Economic Goals and Policies, 1009

Efficiency of Alternative Land-Retirement Programs, 351

Implications of Recent Changes in U.S. Farm Price Support Policies, 1032

Public Land Policy Review in Process, 759

Setting the Price of Peruvian Rice, 389

U.S. Economic Developments and Policies: Impact on Agriculture, 1019

Welfare Cost of Grain Protection in the United Kingdom, 597

Area planning

Alternatives in Community and Resource Development, 1198

Analytical Issues in Demand Analysis for Outdoor Recreation, 1295

Constraints and Objectives of Regional Planning in Quebec, 1271

Geography and Agricultural Income: An Additional Hypothesis, 571

Improving Measures of Economic Development, 1193

Leakages Reducing Employment and Income Multipliers in Labor-Surplus Rural Areas: Comment and Reply, 920

Policy Issues and Problems in Outdoor Recreation, 1307

Projections of an Income-Efficient Commercial-Farm Industry in the North Central States: Comment and Reply, 496

Regional Planning Experiences: Different Governmental Levels, 1277

Strategies for Wheat Production in the Great Plains, 881

Agricultural Products: Supply, Demand, and Prices

General

Anatomy of a Step Supply Function, 107

Interaction Effects and the Analysis of Household Food Expenditures, 821

Interpretations of Consumer Behavior by Social Scientists, 1

Measuring Consumer Brand Preference, 723

Quantity–Income Elasticities for Foods, 1410

The Food Potential of Developing Nations, 1106

Validity of Experimental Methods for Analyzing Consumer Be-

havior, 1406
Livestock and livestock products
Demand, Supply, and Price Relationships: Beef Sector, 169
Demand, Supply, and Price Relationships: Dairy Sector, 360
Impact of Transportation Changes on Prices in City Milk Markets, 844
Isolation of Lagged Economic Responses, 160
Seasonal Pricing Plan for Milk, 643
Theoretical Aspects of Short-Term Hog Supply, 1395
Field crops
Impact of PL 480 on Cereals in India, 131
Market Integration: Sorghum Prices in Western India, 147
Pricing Below Costs in the Soybean Processing Industry: Comment and Reply, 737
Projected Feed Grain Demand in EEC, 1355
Setting the Price of Peruvian Rice, 389
Other products
Sweetener Competition and Sugar Policy, 1362

Marketing and Distribution of Agricultural Products
General
A Theoretical Basis for Grading and Sorting Schemes, 89
Concentration and Competition in the Food Industry: Comment and Reply, 925
Discarding Low Quality Produce with an Elastic Demand, 622
Discussion: Technical Reports of the Food Marketing Commission, 447
Food Marketing Commission and Food Prices by Income Groups, 425
Food Marketing Commission and Marketing Efficiency, 425
Food Marketing Commission and Market Structure and Performance, 413
Measures of Food Marketing Services: Comment and Reply, 213
Processing
Cardinal Utility and Decision Making in the Soybean Processing Industry, 942
Wholesale markets
Agricultural Marketing Boards in the Developing Countries, 705
Retail markets
Measuring Consumer Brand Preference, 723
Private Labeling: Nonprice Competition in Reverse, 1401
Products
Collective Bargaining in Milk Marketing, 1376
Effects of Contract Provisions on the Success of a Futures Contract, 833
Impact of Transportation Changes on Prices in City Milk Markets, 844
Market Integration: Sorghum Prices in Western India, 147
Marketing Board Approach to Collective Bargaining, 1367

International Trade
General and theoretical
Allocation of U.S. Food Aid: Comment and Reply, 501
Measuring Changes in International Trade: Comment and Reply, 515
The Need to Replenish World Stocks, 750
Regional groups
Estimating the Effects of EEC Grain Policy, 372
Projected Feed Grain Demand in EEC, 1355
Countries
Impact of PL 480 Imports on Cereals in India, 131
Problems and Prospects of Canadian Wheat Sales to China and USSR, 1345
Welfare Cost of Grain Protection in the United Kingdom, 597
Products
Kennedy Round Agricultural Negotiations and the World Grains Agreement, 1332
Sweetener Competition and Sugar Policy, 1362

Finance and Credit
General and theoretical
Criteria for Evaluating Borrowers' Repayment Potential, 1573
Economics of Production
General and theoretical

Allocation Efficiency in Traditional Indian Agriculture: Comment and Reply, 218
Alternative Measures of Aggregate Inputs and Productivity in Agriculture, 670
Benefit–Cost Ratios from Investment in Knowledge, 749
Contribution of Agricultural Research to Production, 1415
Determination of Optimal Input Levels in Cobb–Douglas Analyses, 940
Development of Mexican Agriculture: A Skeleton Specification, 1171
Elasticities of Production and Resource Earnings, 1505
Evolvement and Scope of Production Economics, 1473
Fiction and Farm Classification: Rejoinder, 226
From Stock to Flow Capital Inputs for Production Functions, 476
Geography and Agricultural Income: An Additional Hypothesis, 571
Improving Measures of Economic Development, 1193
Issues in the Evolution of Production, 1490
Parity of Net Worth: Comment and Reply, 745
Perspective in Estimating the Effects of Weather: Comment and Reply, 935
Potential Entrants and Projections in Markov Process Analysis, 633
Production Economics and Policy Planning: An Agribusiness Interest, 1480
Production Efficiency in South Indian Agriculture, 816
Projections of an Income-Efficient Commercial-Farm Industry in the North Central States: Comment and Reply, 496
"Realized" Farm Income: An Outmoded Concept? 795
Regional Technical Change in U.S. Agriculture, 1950–1963, 199
Resource Allocation in Traditional Agriculture: Comment and Reply, 930
Return to Poultry Research in the United States, 656
Sources and Rates of Productivity Gains in Japanese Agriculture Compared with U.S., 1443
Sources of Agricultural Productivity in the Nineteenth Century, 1455
Stochastic Linear Programming and Feasibility Problems in Farm Growth Analysis, 908
Supply Control with Marketable Quotas: Cost of Uncertainty, 584
Technique for Estimating Weather Indexes from Meteorological Data, 79
The Dynamics of Long-Term Agricultural Development in Nigeria, 1158
Toward Conceptualizing the Process of Development, 1188

Land and water

Analytical Issues in Demand Analysis for Outdoor Recreation, 1295
Economic Importance of Land: Comment and Reply, 734
Efficiency of Alternative Land-Retirement Programs, 351
Empirical Analysis of Demand for Water by Israeli Agriculture, 461
Empirical Measurement of External Effects of Water Resources Uses, 1521
Policy Issues and Problems in Outdoor Recreation, 1307
The Latifundia Puzzle: Comment and Reply, 507

Labor

A Proposal to Limit the Flow of Human Resources into Farming, 1321
Farm Labor and the Structural Analysis of Agriculture, 1245
Impact of Socioeconomic Factors on Farm Labor Supply, 1237
Labor Market with Particular Reference to Canadian Agriculture, 1257
Mobility of Hired Farm Labor: 1957–1960, 32
Needed Adjustments in the Supply of Farm Labor, 806

Industrial inputs

Evaluation of Indian Fertilizer Projects: An Application of Consumer's and Producer's Surplus: Correction, 527
Impact of Technology on Traditional Agriculture: The Peru Case, 450

Innovations in the Fertilizer Industry and Agricultural Development: Japanese Experience, 403
Regional Demand for Farm Buildings, 184
Organization and management
A Method of Incorporating Probability into Fertilizer Recommendations, 1511
An Application of Statistical Decision Theory to Commercial Turkey Production, 852
Application of Experimental Research to Farm Production, 900
Conceptualization of Farm Management, 53
Efficient Allocation of Brains in Modernizing World Agriculture, 1071
Re-examination of the Farm Diversification Problem, 610
Representation of Farmers' Behavior Under Uncertainty with a Focus-Loss Constraint, 869
Strategies for Wheat Production in the Great Plains, 881
Livestock and livestock products
Relationships of Hay and Concentrate Consumption to Milk Production, 64

Cooperation

General
Future Roles for Agricultural Cooperatives: Reply, 761
Individual countries
Adaptation of Cooperatives to Change: Israeli Experience, 119

Education and Training

General
Agribusiness Community as a Laboratory for Teaching Business Management, 1326
Agricultural Economists: The Inarticulate Ones, 227
Benefit–Cost Ratios from Investment in Knowledge, 749
Expenditures for Public Education in Counties Relative to Poverty Status of Rural Population, 1204
Should the Publishing Policies of the AFEA Be Revised? 754
Test of Objectivity for the Science of Agricultural Economics, 339
Formal education
Symposium for Teachers of Agricultural Economics, Virginia Polytechnic Institute, August 17-20, 1966
Developing Competent Undergraduate Teachers, 322
Evaluation of College Teaching, 286
Evaluation of Instruction, 299
Excellence in Undergraduate Instruction, 315
Higher Education Today—Implications for Instruction, 260
Undergraduate Education for Agricultural Economics Majors, 272
Undergraduate Education for Non-Agricultural Economics Majors, 272
Information for Prospective Graduate Students in Agricultural Economics, 522
International Education: Prospects and Uncertainties for U.S. Universities, 1083
Ph.D. Programs in Agricultural Economics in the U.S.: Comment from India, 525
Training Foreign Graduate Students in Agricultural Economics, 684
Advisory work
Development of Agricultural Economics Profession in Underdeveloped Countries, 519
Extending the Representative Farm Concept in Farm Management Education, 1516

Rural Sociology

General
Impact of Socioeconomic Factors on Farm Labor Supply, 1237
Interpretations of Consumer Behavior by Social Scientists, 1
Prospects for Population Control, 1094

Research Methods and Techniques

General
Canada's Experiences and Aspirations in Using a Comprehensive Farm Data System, 1526
Contribution of Agricultural Research to Production, 1415
Definitions of Science: Comment and Reply, 222

Framework for Establishing Research Priorities: Comment and Reply, 741
Micro- and Macro-analytic Potential of Agricultural Information Systems, 1541
Publication, Indexing, and Retrieval of Agricultural Economics Literature, 1561
Research Coordination or "Invisible Hand"? 756
Should the Publishing Policies of the AFEA Be Revised? 754
Test of Objectivity for the Science of Agricultural Economics, 339
The Planning, Programming, and Budgeting Approach to Research Evaluation, 1426

Agricultural products: supply, demand, and prices
Isolation of Lagged Economic Responses, 160

International trade
Measuring Changes in International Trade: Comment and Reply, 515

Economics of production
An Application of Statistical Decision Theory to Commercial Turkey Production, 852
Application of Experimental Research to Farm Production, 900
Determination of Optimal Input Levels in Cobb–Douglas Analyses, 940
From Stock to Flow Capital Inputs for Production Functions, 476
Potential Entrants and Projections in Markov Process Analysis, 633
Re-examination of the Farm Diversification Problem, 610
Representation of Farmers' Behavior Under Uncertainty with a Focus-Loss Constraint, 869
Stochastic Linear Programming and Feasibility Problems in Farm Growth Analysis, 908
Technique for Estimating Weather Indexes from Meteorological Data, 79

Foreign

Canada
Canada's Experiences and Aspirations in Using a Comprehensive Farm Data System, 1526
Canadian Approaches to Rural Poverty, 1209
Canadian Economic Goals and Policies, 1009
Constraints and Objectives of Regional Planning in Quebec, 1271
Implications for Canada of U.S. Farm Policies, 1038
Labor Market with Particular Reference to Canadian Agriculture, 1257
Problems and Prospects of Canadian Wheat Sales to China and USSR, 1345

China
Agriculture in the Industrialization of Communist China and the Soviet Union, 1118

India
Allocation Efficiency in Traditional Indian Agriculture: Comment and Reply, 218
Evaluation of Indian Fertilizer Projects: An Application of Consumer's and Producer's Surplus: Correction, 527
Impact of PL 480 Imports on Cereals in India, 131
Market Integration: Sorghum Prices in Western India, 147
Production Efficiency in South Indian Agriculture, 816

Israel
Adaptation of Cooperatives to Change: Israeli Experience, 119
Empirical Analysis of Demand for Water by Israeli Agriculture, 461

Japan
Innovations in the Fertilizer Industry and Agricultural Development: Japanese Experience, 403
Sources and Rates of Productivity Gains in Japanese Agriculture Compared with U.S., 1443

Nigeria
The Dynamics of Long-Term Agricultural Development in Nigeria, 1158

Pakistan
Agricultural and Industrial Interrelationships in West Pakistan, 1139

Peru
Impact of Technology on Traditional Agriculture: The Peru Case, 450

Setting the Price of Peruvian Rice, 389
United Kingdom
Welfare Cost of Grain Protection in the United Kingdom, 597
USSR
Agriculture in the Industrialization of Communist China and the Soviet Union, 1118
Books received 245, 541, 782, 965
Reviews 229, 528, 765, 948
News notes 250, 552, 787, 975
Obituaries 257, 559, 792, 986
List of new members 991
Reports and minutes—American Farm Economic Association 1580
